

**Dreaming of...**

**Completing  
your  
doctorate**

**getting your first  
academic  
position**

**moving up the  
academic  
ladder**

**In science, engineering or math?**

## Invitation to a Workshop: **FORWARD to Professorship**

**FORWARD in SEM: Focus on Reaching Women for Academics, Research and  
Development in Science, Engineering and Mathematics**

---

**KEYNOTE SPEECH:**

**Maria Klawe**

Dean, School of Engineering and Applied Science, Princeton University

May 20-22, 2003

Washington, DC

Travel  
assistance  
available

Attend the workshop and learn strategies for

- navigating the tenure-track process
  - apply and negotiate for a position
  - secure research funding
  - get the most out of teaching
- arriving at a career, home and personal balance
